

METHODOLOGY – Create review cards

Creating review cards is essential to broaden your general knowledge.

1. After each unit, fill in a review card.
2. Here is a link to enrich your notes.

3. Read articles, watch videos and take notes.
4. Create a review card for each padlet column.

Here is how to organize them.

TITLE (e.g. SPACE CONQUEST)	
Key dates - . - . - .	
Debates on issues related to the theme: On the front page of each unit a key issue is given. You can find other issues within the articles studied in class. Imagine questions which could be asked and related to the theme. - . - . - .	
PROS:	CONS
Books related to the theme:	
Films related to the theme:	
Series related to the theme:	

On the other side of your card, add ideas you may have come across when reading articles given during your Mock Oral Exams.
